PROCEEDINGS OF THE EIGHTEENTH ANNUAL ENCAMPMENT

ATTACHMENT A - OFFICER REPORTS

DEPARTMENT COMMANDER REPORT

Rocky L. Bartlow, PCC

The Department of Kansas recently changed our by-laws to move our Department Encampment from April to January. This was the first year for that change and I had the privilege of being elected Department Commander in January for a one-year term. We were also privileged to have Commander-in-Chief Mellor and ASUVCW Senior Vice President Diane Mellor in attendance and swearing in our department officers.

During my term I have focused on several goals including promoting activities that help camps cooperate together as a department and making the SUVCW relevant to the next generation by doing things that draw in young people and encourage them to participate in camps. I would like to see Kansas be the Department with the highest number of juniors in the nation. To that end, we have continued the use of a Vision Committee, first started by PDC Roy Lafferty during his term, and formed of brothers of several camps. We met several times and worked to come up with ideas promoting the goals stated above. The committee stopped meeting for the summer due to scheduling constraints and then there was a temporary recruiting halt on juniors due to desire from national to get a handle on how to properly protect young people and the order in light of the Sandusky episode and so issued GO 6. We owe it to the youth we work with and to the order to make sure it is handled correctly. We plan to proceed when that is sorted out.

One of our recommendations was to encourage camps to get together for events and one such was a workday at the Black Jack battle site. I encourage camp secretaries to share minutes of their meetings and camp events so that brothers from other camps may participate. One of the best opportunities is joint grave services of which I will note in greater detail later.

Vital to our purpose as a department is the proper commemoration of Memorial Day. To that end, the four camps of the department have participated in multiple events this year including Veterans Memorial Park and two others in Wichita, three cemeteries in Lawrence, and Topeka Cemetery and one other in Topeka. The list is not exhaustive. We also field requests for helping with replacement cemetery markers and perform ceremonies for families, which sometimes requires hours of driving to attend. The Department currently has several requests for help in researching ancestors, obtaining headstones, and performing ceremonies for soldiers. Kansas, as the Soldier's State due to the myriad of soldiers who came here after the war, has many Civil War soldiers so it presents a daunting task in properly recording and honoring those great soldiers and sailors. We consider it one of our highest honors to do that so that they may receive the due owed to the honored dead of our country.

Along that line was a notable event, the Crooms memorial service in Hutchinson, attended by brothers from several camps, most coming quite a distance. It was encouraging to see the department brothers work together to make sure a boy in blue wasn't forgotten. The event was attended by Mr. Crooms family and PCinC Brad Schall whose ancestor was a GAR camp brother of Mr. Crooms. I was unable to be in attendance but was extremely proud to receive PCinC Schall's card of thanks, commending the brothers of the department for doing their honorable duty. It was one of the high points of the year and spoke well of our brothers.

The brothers of the department are also busy with making the department known at many community events including gun shows, genealogy seminars, and military and patriotic events. We use these opportunities to show various historical items, help visitors find their Civil War ancestors, pass out information and membership applications, and discuss the Civil War in general. We have found these events to be profitable in generating new members.

Our camps also are careful to remember those who currently serve our country in providing items requested by them including calling cards so they can stay in contact with their families.

I was able to attend the 2013 National Encampment in Milwaukee, WI and the Department of Kansas Fall Council meeting and am looking forward to attending the 2014 encampment in Marietta, GA.

In conclusion, I believe for the SUVCW to be relevant in the next years, we must engage the youth of our culture and continue our primary task of making sure the Union soldier isn't forgotten. It is my hope

PROCEEDINGS OF THE EIGHTEENTH ANNUAL ENCAMPMENT

that the abovementioned challenge represented in GO 6 will be soon addressed and we can move forward drawing in new blood so we can continue the primary task. The Boys in Blue simply must not be forgotten.

Submitted respectfully in Fraternity, Charity, and Loyalty,

Rocky L Bartlow, PCC
Department Commander

SENIOR VICE DEPARTMENT COMMANDER

Brothers:

It has been my pleasure to serve with our capable and dedicated Department Commander in the administration of department business this past year. Brother Bartlow has provided excellent leadership to promote Fraternity, Charity, and Loyalty among our Order. He has also inspired our camps to undertake public ceremonies and public service that call to the attention of the general public the sacrifice of those who fought so valiantly to preserve the Union. In the current environment of division and disrespect in public life, the principle of Union must be our primary rallying cry.

I am pleased to celebrate with all of you that membership in our Camps has increased in the past year. The renewed interest by the public in our work, and the resulting increase in membership applications, can largely be attributed to three things.

First, members of our Camps have, with pride and excitement, told friends and family members about the important work of our camps. That work includes, but is not limited to, holding Memorial Day services, setting and dedicating new headstones, cleaning and resetting existing stones, locating and registering previously unknown graves, and maintaining a list of Civil War Monuments and Memorials in Kansas. In addition, our brothers have reached out to potential new members by inviting them to attend our monthly meetings and our special services.

Second, camps have done some excellent publicity concerning their projects, Memorial Day services, and headstone dedications. The activities of our camps have caught the imagination, and garnered the respect, of the general public especially during this sesquicentennial period of the Civil War. Also, Camp Signals Officers maintain informative Camp websites, in addition to the Department website.

Third, our brothers have warmly welcomed visitors, and have included new members as active participants in camp programs and business, and as camp officers. From the very first meeting, visitors and new members recognize the respect with which SUVCW members treat our rituals and the history of the organization.

With you, brothers, I am very excited about the potential for a new Camp in the Department of Kansas. Let us thank Brother Alan Russ for his work to “test the waters” in St. Francis and northwest Kansas. Let us pray that his work will be productive and that we will be able to employ the ritual for organizing a new camp, perhaps in 2014.

Finally, as Senior Vice Department Commander it is my responsibility to promote Charity among our members. Charity involves more than just giving of our financial resources to aid those in need, which obviously is very important. Charity is, moreover, an attitude of gratitude and humility, as well as respect for others. I pray that we may fully embody Charity in all our interactions in the coming year.

Respectfully submitted in Fraternity, Charity, and Loyalty,

Kent M. Melcher, PCC
Senior Vice Department Commander

JUNIOR VICE DEPARTMENT COMMANDER

Commander, this year I forwarded three applications for new members from national. Two were placed in the Lawrence Sergeant Samuel J. Churchill Camp #4 and one in the Topeka Old Abe Camp #16. Recruiting must continue to be the focus across the SUVCW from National through Departments and down to individual camps and members. Camps are encouraged to consider the various events in which they participate not only to honor our ancestors that served but also as opportunities to recruit the

PROCEEDINGS OF THE EIGHTEENTH ANNUAL ENCAMPMENT

other men that will join us in that honoring. As we reach out and touch our community in dedications of headstones, Memorial Day observation, parades, and various other venues we are reaching toward the future to speak about the past.

It has indeed been a great pleasure to honor the memory of all our ancestors that served in the Civil War by serving as the Department of Kansas Jr Vice Commander. I look forward to continuing my service in this way as the wishes of the Department permit. If at any time I can offer help or assistance to any camp or member of this Department I am able and ready to assist.

Submitted in Fraternity, Charity, and Loyalty,

Mark A. Britton, PCC
Junior Vice Department Commander

GRAVES REGISTRATION OFFICER

We continue to make progress in locating our Boys in Blue who eternally rest in the Sunflower State. There are 28,213 Civil War veterans' Kansas gravesites listed in the national SUVCW Graves Database (as of 29 Dec 2013). This is an increase of more than 1000 over last year's report. Since gaining access to the Kansas GRO account late in 2012, I have added 335 Kansas gravesites. I continue to enter gravesites outside of the state through my personal user account, which now totals 2796 entries, roughly 200 more than reported last year. While not a large number of new graves added, I try to be as thorough as possible and include as much information as possible, which can prove time consuming. Many existing entries are unnecessarily bare bones, and I have added information such as birth/death dates and enlistment/discharge dates to dozens of Kansas graves; doing so doesn't add to the tally but is just as important.

I have spent much time this year trying to locate the graves of members of the 24th KS Militia. Roughly 1000 men was mobilized and activated for much of October 1864 to assist in the defense of Fort Scott and SE Kansas during Price's Confederate advance through Missouri. These men have been overlooked because of their short service as reservists but they have earned inclusion in the database. Since they were generally not members of the GAR, their service not listed in KS state censuses, were non-recipients of government pensions, and their headstones don't indicate military service, these boys have been difficult to track down. So far, I have located just over 110 of their graves, some as far away as California and Washington state.

I was fortunate to spend time with SUVCW GRO Bruce Frail at the National Encampment in Wisconsin this past August. Brother Frail was able to clarify some questions I had, as well as share his vision for future database improvements. The SUVCW continues to work with the VA to seek resolution for the next-of-kin requirement for headstone requests, which hampers our ability to honor our fallen.

One particular highlight of the year was assisting Ms Janice Lovelace of Seattle in obtaining a VA headstone for her great-grandfather's unmarked grave in Eastside Cemetery, Hutchinson. Private John Crooms, born enslaved in Kentucky, served in the 5th US Colored Cavalry. Coyne Camp No. 1 did a great job conducting a memorable dedication service for Ms Lovelace, who was able to attend. The Hutchinson newspaper also provided good coverage of the event. Huzzah to all involved – this is what our Order is all about!

EAGLE SCOUT CERTIFICATE COORDINATOR

I currently serve as the Boy Scout Roundtable Commissioner for Mo-Kan District, Ozark Trails Council, BSA, and enjoy working with scout leaders to recognize youth who have attained the rank of Eagle Scout. I have sent emails to all Boy Scout councils in Kansas with attention to council and district executives highlighting our free recognition program. While I received positive response from many, and

PROCEEDINGS OF THE EIGHTEENTH ANNUAL ENCAMPMENT

we have doubled the number of certificates issued over the previous year, we are still only reaching a small minority of the total number of new Eagles Scouts across the state. I will send out reminders again this year to the scout councils. Since the last encampment, SUVCW Dept of Kansas Eagle Scout Recognition Certificates have been presented to:

CIVIL WAR MEMORIALS OFFICER

There have been no new additions during this year. The Memorials list now contains:

- 198 primary memorials
- 1 primary memorial requiring photos
- 201 secondary memorials
- 6 memorials (unknown) requiring history research
- 2 counties (Logan and Scott) with no memorials found
- 12 gone but not forgotten

The next major effort will be to record and document more of these monuments on SUV CWM #-61 forms and add that information to the website.

A search like this is never complete but, at present, other than researching some of the unknowns, there is little left to do. I encourage all members to keep looking however. There are undoubtedly some monuments or memorials remaining to be found.

OLD ABE CAMP NO. 16, TOPEKA

Commander Conrad M. Fisher

Camp Old Abe #16, Topeka, Kansas, Sons of Union Veterans of the Civil War continued to see growth in 2013, adding several new members. The camp was busy with many projects throughout the year to honor the memory of our Civil War ancestors and to continue the traditions of the Grand Army of the Republic.

In January, as in each month of the year, the camp collected funds for the purchase of prepaid telephone cards, which are sent to Kansas National Guard members serving overseas. The camp also began planning the annual Topeka Cemetery Memorial Day ceremonies.

In February the camp discussed various ways to be more visible in the community, such as inviting members of the Junior ROTC program to participate in the Memorial Day observance, and the purchase of a table banner, which will also be used when brothers march in parades.

In March Old Abe Camp 16 welcomed guest speaker Robert Jones, of Kennesaw, Georgia, who gave a presentation on the Battle of Chickamauga, which was particularly well attended by brothers and guests, being the largest gathering for a camp meeting in recent memory. We also initiated new brother Carl Dean Holmes into the camp. With the coming of spring, our monthly work days began once again at Topeka Cemetery where brothers worked to clean tombstones in the G.A.R. section of the cemetery, and the flag was replaced in preparation for the annual Memorial Day ceremonies held there.

In April we initiated Brother Craig Dunstan into Camp Old Abe at our monthly meeting. On April 27 Camp Old Abe participated in the Massing of the Colors ceremony at Gage Park in Topeka along with many other organizations. The camp also had an information table at the event for recruiting purposes.

In May, the camp and guests enjoyed a video produced by the History Channel regarding the Battle of Mine Creek. The camp was presented with a certificate by the Military Order of the World Wars for the Camp's involvement in the Massing of the Colors in Gage Park in Topeka in April and the camp also learned of several potential new members who learned of our Order through our recruiting activities at that event. Several members of the camp attended a presentation given at the Topeka-Shawnee County Public Library at a meeting of the Lincoln Club of Topeka involving medical technology during the Civil War.

Memorial Day observances were held at the G.A.R. section of the Topeka Cemetery. This year flags were placed in the G.A.R section of the cemetery prior to the ceremony, and the camp has decided to continue doing it this way in the future. At the 2013 Memorial Day Ceremony we had participation from BSA, JROTC, Vietnam Veterans of America, and American Heritage Girls groups. A smaller ceremony was held at Rochester Cemetery, on the north side of Topeka.

At the June meeting the camp discussed the recent Memorial Day ceremonies and plans for next year's event, including the possibility of having a Massing of the Colors ceremony as part of the ceremony. The camp also gained a new member which resulted from our recruiting efforts at the Massing of the Colors ceremony.

PROCEEDINGS OF THE EIGHTEENTH ANNUAL ENCAMPMENT

In August several camp members travelled to Milwaukee for the National Encampment and later presented a report to the camp on the events there. JVC Burchett discussed an event to commemorate Order #11 in Kansas City. The camp membership discussed having members give presentations about civil war history at camp meetings as a way to generate interest in camp meetings.

In September the camp grew again, adding several new members. Camp Commander Fisher and Junior Vice Commander Burchett worked at the Topeka Railroad Festival to recruit new members, with Senior Vice Commander Lester attending as well. On September 28th, 2013 Camp Commander Fisher and Senior Vice Commander Lester attended the grave dedication ceremony of John Crooms, at Eastside Cemetery in Hutchinson, which was hosted by the Wichita camp.

At our monthly meeting in October, we initiated new member Stan Sutton, and Senior Vice Commander Lester gave a brief presentation on the Andersonville prisoner of war camp. Junior Vice Commander Nick Burchett discussed various methods to clean tombstones during camp work days at the Topeka Cemetery. On October 19th many members attended the Fall Council meeting in Emporia and others including JVC Burchett attended the Topeka genealogy festival. Also during October Commander Fisher and JVC Burchett traveled to Whiting, Kansas to initiate new member William Webster.

In November camp elections were held and three guests were in attendance at the camp meeting. Discussions were held regarding the possibility of moving the site of camp meeting but the discussions were tabled pending the gathering of more information. Patriotic instruction included a fine presentation in observance of the 150th anniversary of the Gettysburg Address.

At the December meeting the camp invited guests to the meeting and officers for the coming year were installed.

In conclusion, Camp Old Abe, #16 Topeka, Department of Kansas, continues to grow in numbers and has been very active in working to honor the memory of the Grand Army of the Republic and the Union veterans of the American Civil War.

2013 NATIONAL ENCAMPMENT

The 132nd National Encampment was held on August 9 and 10, 2013, in Brookfield, WI. CC Fisher and I traveled by train from Topeka to Milwaukee, via Chicago and it was quite an experience. We were sad that SVC Kent Melcher, who had planned to travel with us, was unable due to an ankle injury. At the encampment we were joined by PDC Alan Russ, PDC Roy Lafferty, and department PI/GRO Bill Fischer.

Many of the brothers were able to attend tours on Thursday August 8 at the Sprecher brewery and the Soldier's Home of Milwaukee.

The business of the encampment included a rousing discussion of how to handle departments who were tardy in their reports, discussion of the proper protection of junior members in light of the Penn State incident, as well as a touching show of financial support for one department needing funds to complete a monument.

The brothers of Kansas were also proud to see our own department secretary, PDC Russ, installed as the national secretary along with the new slate of officers which includes our new Commander in Chief Ken Freshley of Ohio.

Some brothers left after the proceedings on Saturday but for those of us who stayed over to Sunday, we enjoyed an uplifting worship service led by national Chaplain Jerry Kowalski. All the brothers safely journeyed home.

I encourage as many of you who can to attend the 133rd National Encampment on August 15 and 16, 2014, in Marietta, Georgia, a suburb of Atlanta. Many of us, especially those whose ancestors took part in the Chickamauga/Chattanooga and Atlanta campaigns, are excitedly looking forward to attending and I would encourage all the department brothers to consider joining us. Information is already out for lodging, encampment registration, badges, and tours. You will not want to miss this opportunity.

Onward to Atlanta!

Battle Hymn of the Republic

by Julia Ward Howe

Mine eyes have seen the glory of the coming of the Lord.
He is trampling out the vintage where the grapes of wrath are stored;
He has loosed the fateful lightening of His terrible swift sword;
His truth is marching on!

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His truth is marching on.

I have seen Him in the watch-fires of a hundred circling camps;
They have builded Him an altar in the evening dews and damps;
I can read His righteous sentence by the dim and flaring lamps;
His day is marching on.

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His truth is marching on.

I have read a fiery gospel, writ in burnished rows of steel;
“As ye deal with my contemners, So with you my grace shall deal;
Let the Hero, born of woman, crush the serpent with his heel,
Since God is marching on!”

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His truth is marching on.

He has sounded forth the trumpet that shall never call retreat;
He is sifting out the hearts of men before His judgment-seat:
O, be swift, my soul, to answer Him! Be jubilant, my feet!
Our God is marching on!

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His truth is marching on.

In the beauty of the lilies Christ was born across the sea,
With a glory in His bosom that transfigures you and me;
As He died to make men holy, let us die to make men free,
While God is marching on.

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His truth is marching on.
